INTRODUCTION

About us

KHY Business Limited was established on 18th June 2019 and specializes in the supply and installation of furniture and joinery solutions.

Our multi-skilled team is dedicated to understanding each project in an integral way that allows us to meet the unique needs of our clients. Our focus is to bring each design to life through the implementation of innovative furniture and joinery solutions.

We believe beauty does not always have to be expensive and we are inspired by this. We use a wide range of furniture solutions to create beautiful functional spaces that provide value for money without sacrificing quality, aesthetics, and customer satisfaction.

We strive to create spaces that inspire and enrich everyday living through a transformative process.

Through the establishment of partnerships with reputable furniture brands across Europe, South Africa, and Asia, we are able to present solutions that make your workspaces efficient and functional. We use a wide range of office furniture products to create space optimization solutions.

We have done this for reputable organizations including Glico Healthcare, Stanbic Bank, Norfund, Nestle, GROW Engineering, Development Bank Ghana and First National Bank.
